

Dear Valued Parents,

Greetings from Safari Transport!

I would like to take this opportunity to introduce our school bus transportation services for the students of Qatar Finland International School. We have partnered with the school in effectively offering safe and reliable transportation services.

We are incredibly grateful to Mr Jerker Polso, the Principal; Ms Hanne Patomäki, Vice Principal, the management team, and the parents who have used our services and extended their support over the past years.

This school year too, we look forward to providing safe and reliable school transportation services for your child to and from Qatar Finland International School. Last year we had introduced additional bus services to support those students who are attending the ECA. This year as part of our quality improvement service; we will be installing surveillance cameras in the buses to ensure quality monitoring, daily disinfection & cleaning, and also ensuring excellent communication between the bus monitor and the parents.

Based on the new approach by the Ministry of Education and Higher Education (MOEHE), students will attend the classes once or twice a week, with a maximum attendance rate of 30% of school capacity per day. Therefore it would be difficult for us to provide a fixed daily route for transportation. We kindly request you all to let us know in advance before 25th of August, if you are living outside of Doha, or if you have changed your previous location as it is very crucial for us to plan transportation on time. The transportation fees will vary based on the number of days and the distance. Kindly contact Safari Transport office to register for school transportation and to know about fees structure. Additionally, we are offering special limousine services with affordable rates for parents who prefer separate transportation services.

Also, please note that we have decided to offer a discount for parents for the non-usage of school transportation during the period of COVID-19. The parents who have paid last year's 2nd term academic transportation fee in January 2020 will get a 1300 Qar discount on the total transport fees for the coming academic year. The deduction will be based on the fee payment structure.

The school bus transportation registration for the new academic year 2020-2021 is open, a copy of the transportation application form is attached for your reference. The application can be sent via email. For any assistance, please contact at +974 70649696 or mail us to isac@safari.work

Kind Regards,

Isaac Varghese M
